

SANCOLD NEWS 2010.5.5

Presentation on RCC Dams

Quentin Shaw (Member of SANCOLD's Management Committee) is giving a presentation on "A new material model for early behaviour of roller compacted concrete in large dams" as part of his PhD studies at the University of Pretoria. The presentation takes place at 16h30 on 18 May 2010 in venue 1-72 (Building 52) University of Pretoria. The campus map can be downloaded from the University website. Parking has been arranged in H27. Use the entrance gate 9 in Prospect St. The presentation will take about one hour and will be followed by refreshments. Please RSVP to rita.peens@up.ac.za. Contact me should you require any further information and directions to the venue.

SANCOLD Membership Lists on Website

No adverse comments were received in connection with this proposal and accordingly we will proceed to place the list of corporate and individual members on the website.

SANCOLD Membership Fees 2010

Some difficulty is still being experienced with some of the membership fee payments. There are a number of outstanding fees and an appeal is made to you to expedite the payments. I will be contacting the corporate and individual members directly regarding outstanding fees.

ICOLD Annual Meeting, Hanoi 23-26 May 2010

The meeting preparations are well in hand and detail of the event is available on www.vncold.vn/ICOLD2010.

ICOLD Annual Meeting, Lucerne, Switzerland, June 2011

The Swiss Organising Committee has called for Abstracts for the international one-day symposium on **Dams and Reservoirs under Changing Challenges** which will be held during the above event. The Abstracts must be submitted by 30 June 2010. Further detail can be downloaded from the website www.swissdams.ch
